For the fall program, students are enrolled on a month to month basis. You must notify the office no later than the 15th of the month to drop at the end of the month and not incur charges for the next month. Classes will be prorated for Holidays and scheduled closures. In case of bad weather, we will close if we deem it a danger to come in, otherwise classes will continue as scheduled. If classes are cancelled due to weather, we will post on Facebook, and send out an email. No credits or makeups will be offered for closures due to weather or absences.

How to log into your Parent Portal

When logging in, if you get an error about your email or user ID, double check to be sure there isn't a space after the email address you typed in.

Scroll down and click the green button "Find Classes"

If not already done, add your credit/debit card info and save.

You should now be on a page called "Classes & Events", make sure you are under "Find Classes" and scroll down to the blue box that gives you the option to "Sort by" and "Filter Results".

Select "Filter Results", "Session", choose the current session you are looking for, and then "add filter".

At this point you can filter or sort however you would like. However I would recommend to start by filtering by the specific class you are looking for and the specific day of the week you are looking for:

a. Select "filter results", "category 2", and select the class you are looking for (koala bear, girls beginner, boys beginner, etc.), then "add filter"

b. One more time select "filter results", "days of the week", choose which class day you are looking for, and "add filter".

Once you have found the class that you would like, simply select the class, which student it is for, read and agree to each policy, and at the top of the page hit "add" to put it into your cart.

At this point, if you have other students to register, hit "continue shopping" to find more classes.

Review your cart to ensure that you have the class or classes that you want, proceed to the payment page, select the payment method you would like to use, and make payment.

This payment will include the registration fee and monthly tuition which will be charged based on the number of classes in that month.

At this point you are all set and your student is officially enrolled!! If you have any questions, please either call the office at 308-381-0217 or email netwisters@gmail.com
